Family, friends, picnics, barbecues, and fireworks all mark the occasion. This day is when all Americans celebrate the independence of our great nation. This date is also memorable and especially meaningful for our fraternity. What I wish to share with you about our Independence Day is taken from the Historical Intersection: Freemasonry and the Declaration of Independence as published in Masonic Find</p> <p>"The signing of the Declaration of Independence on July 4, 1776, was not merely a political act but a philosophical declaration steeped in Masonic principles. Several of the Declaration's key architects were freemasons, including Benjamin Franklin, Thomas Jefferson and John Hancock.</p> <p>"These men, influenced by their membership in Masonic lodges, infused the declaration with principles such as equality, liberty, and the pursuit of happiness -values that resonate deeply within both Freemasonry and American democracy.</p> <p>"The Masonic influence on the Declaration extends beyond its drafters to its signatories. Of the 56 signers, at least nine are confirmed Freemasons with others strongly suspected of membership.</p> <p>"This Masonic presence underscores the fraternity's significant role in shaping the nation's foundational document and ideals." The same Masonic principles are taught in our lodges today. With the hope of influencing good men to be better. As we celebrate this holiday let us not forget the traditions and pride knowing that our great fraternity was involved in the birth of our great Nation!</p> <p>May the blessing of heaven shine down on America and continue to bless our nation, the world's beacon of freedom and democracy!</p> <p>Fraternally, W.:M.: Mark A.
