# Message from the East

Greetings from the East,

Your officers attended the Grand Lodge of Florida this past weekend in Orlando. It was a lot of fun and were able to get a lot accomplished for freemasonry in Florida. Also present was the gavel that George Washington used while laying the cornerstone for the United States Capitol building in Washington DC. If you have never been, I suggest next year anyone who would like to see the inner workings of Freemasonry in Florida, should definitely attend.

I would like to share with you my experience while listening to one of the speakers this past weekend. He spoke of new membership and the fact that many times new member stop attending lodge after a short amount of time as Mason's. He spoke about what a potential members expect versus what we actually give them as members. This caught my attention and I have been pondering it ever since. As your Worshipful Master, I have endeavored to bring the family experience to the lodge and relaxed many of our meetings to accommodate the fellowship that we all joined freemasonry to experience. I will continue to do so, even though it has not drastically increased our attendance, I feel that focusing on the fellowship is the most important part.

The lodge belongs to the craft, I am merely here to keep the day-to-day operations running in the doors open for you. I hope that if you were reading this and have not been active lately, that you join us for dinner one night and experience the fellowship that I have tried to cultivate. As always, I am open to your comments and suggestions on how you were lodge should run and what you want out of it.

This month we will be doing a concealed weapons permit class on June 16 and a Cigar Night on June 25. Please come out and join us for these events!

Fraternally,

Beau Cisco, Worshipful Master 2018

## Message from the South

Greetings Brothers,

I can not believe that it is already June! As many of you know, Grand Lodge was just held in Orlando this past weekend and boy was it awesome. Grand Lodge is everything I have always hoped Blue Lodge could be and more. I got to meet Brothers from all around the state, and the networking alone was amazing. So many Masons from so many different backgrounds working in a myriad of fields. If you spent enough time you could probably find a Brother to take care of almost any need you have from shirt embroidery to open heart surgery.

As your Junior Warden I am in charge of refreshment which is always the fun side of meetings and gatherings. 6 months into the year and I think I have seen about 25-30 Bykota members attend dinners and or breakfasts. I am told by our secretary that Bykota Lodge has 150 members. I would love to see a lot more of you before the year ends as the Lodge isn't a building, its a group of people coming together to fraternize and enjoy one another company. Let us not lose sight of that fact my brothers as once we step through that front door we are meeting on the level.

Fraternally,

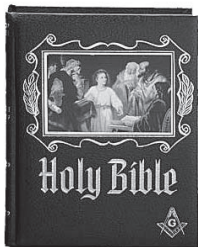

Joe Harvey, Junior Warden 2018
